

REMARKS

Applicant respectfully requests that the spelling of Inventor Alyce Lynthurst's name be corrected in this application. The published patent application has the inventor listed as "Alyce Linhurst" rather than "Alyce Linthurst." The first "t" was inadvertently omitted during typing of documents for the application. Applicant submits an amended Application Data Sheet herewith having the inventor's name spelled correctly. Applicant respectfully requests that this be entered into the file.

The application is respectfully submitted to be in condition for allowance, and prompt favorable action thereon is earnestly solicited. If there are any questions regarding this amendment or the application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

Please charge any deficiency in fees or credit any overpayments to Deposit Account No. 50-1881 (95176562-003002).

Respectfully submitted,
